

Progress Report Form

The Progress Report Form should be completed by the student once a month, beginning in September of the second year, and continuing until the practicum project is completed. One copy of the completed form should be submitted electronically to

- a) the Practicum Coordinator,
- b) the student's Practicum Advisor AND
- c) The student's committee members.

Date of latest meeting with advisor: December 5, 2007

Tasks assigned from last meeting with advisor: To continue to improve upon my rough draft of my dissertation in order to work with my committee to meet everyone's needs. To gain approval from the IRB for my dissertation topic of literacy. All paperwork was faxed to them on 11-27-07. To research more information in order to build a solid foundation for my literature review.

Progress report on tasks from last meeting with advisor: I provided Dr. Paul with the rough draft of chapter one for my dissertation and my practicum paper.

Decisions made at current meeting with advisor:

Tasks assigned for next meeting with advisor: To continue to work on my review of literature for my dissertation and to make any necessary improvements to my practicum project.

Timeline for completing tasks before next meeting with advisor:

Continue to read in order to prepare for defense of my dissertation.

Approximate (or exact, if known) date of next meeting with advisor:

January 16, 2008
